But they did. He was released on bail in May after his physical and emotional health had deteriorated.

He enlarged the Army, modernized military procedures, boosted soldiers' pay. Although Lincoln never read Karl von Clausewitz's famous treatise *On War* his actions were a consummate expression of Clausewitz's central argument: "The political objective is the goal, war is the means of reaching it, and means can never be considered in isolation from their purpose. Davis didn't consider that he'd have a bounty on his head as a potential conspirator. He is continually advised to give up the fight and flee to a foreign country.
