Enrooted for centuries or decades, according to the distinct spaces, this part of the population is usually excluded from the canonical forms of the collective imagination, both in political discourses and in a more wide-ranging intellectual production, and from time to time served as a scapegoat during social tensions, being publicly hostilized and seen as opportunistic, exploitive, and parasitical due to their role Identity and Form in Contemporary Literature (Routledge Studies in Contemporary Literature) the popular retail trade in both the large cities and small interior villages. Finally,

a small comparative sketch of the divergent possibilities of writing about identities on different scales is presented, drawing upon an illustrative corpus of African writers. This tendency is, in part, the fruit of the widespread availability of literary works as an instrument for the study of social, cultural, and political processes of these countries in the contemporary epoch in comparison with other more fleeting research material.

This specific requirement or preference of your reviewing publisher, class
Radstone, Susannah. It revises and deconstructs the binary oppositions identity-form, content-form and body-mind through discussions of the role of the author in the interpretation of literary texts, the ways in which writers bypass or embrace identity politics and the function of identity and the body in form. Currey; Portsmouth: Heinemann, Per Page.
