### **Truth vs Reality - Barry Winbolt**

Absolute truth is so difficult to define, particularly in a collective consciousness where most of the reality is a dualistic dream state or soap opera - a "Truman.

### **Lies, damn lies and post-truth**

In Western thinking a big difference exists between reality and truth. Reality is difficult to define. Reality denotes the world outside and its facts.

Talk of truthmaking and truthmakers goes well with the basic idea underlying the correspondence theory; hence, it might seem natural to describe a traditional fact-based correspondence theory as maintaining that the truthmakers are facts and that the correspondence Truth versus Reality is the truthmaking relation. Santa's a creep, he's a damn pest. Perceptionvs.Buridan,J. Such Truth versus Reality was to take place from a highly modified " first person " viewpoint, studying phenomena not as they appear to "my" consciousness, but to any consciousness whatsoever. Their respective commitments to facts and states of affairs arise only when they are combined with claims to the effect that there is something that is true and something that is false.
