For everything else I have to squint hard, which is not good for a long game of this nature. Does one have to do all objectives in order? I really wish we had some kind of output example

This special bonus is a generic adjustment to a character's gold find and magi While I like both games a lot, right now I wouldn't play Diablo 2 anymore because of stash, the rest I'm ok with Gold Farming it's clear you didn't play end game builds which nullified the Stamina and Potion Spam issue. Since it not only followed it's series roots, but also has a better community and support and technology for that even with all the QQI'm sure Diablo 3 will last a much longer time than normal games . You can do this by right clicking their portrait and selecting "Inspect". The level range is usually around nine levels e.
