The Department of the Interior issued an interim final rule making various administrative changes to its acquisition regulation to harmonize it with the FAR and to make other corrections. The purpose of this safety and security zone modification is to increase navigational safety within New York Harbor. The development and implementation of an integrated plan to meet the goals established by reference a will require significant time and effort to coordinate the effort for all Department of the Navy acquisition activities. Published by Schott FTR Reference c is hereby cancelled. Government More information.

This final rule is a combination of two previous proposed rules that were published in the Federal Register. Each member must, and each dependent should, exercise the same care in incurring expenses paid by GOV T funds as a prudent person would when traveling on personal business at personal expense.
