Kingfisher teaches us how to believe in. They did not respect their world or the other plants and creatures that lived within it. The old man stopped to place another log on the fire.

Eagle flew down and called to them, "Across the forest is a place where people leap. There was a terrible cry that woke up the. He showed the other salmon how to jump.

As appealing to parents and teachers as they are to children, Jim Challenger's stories convey beautifully the merits of watching, listening to and respecting our natural world. Discover why a river's spirit stones are important to Salmon, why we should listen carefully to the message in Wolf's cry, and why Orca tries to turn rocks into grains of sand.
