The length of stay involved in the refugee determination process makes removal of people at the end of it difficult. V, 28 October [Internet: Ibid. Sole, B. A run in with a small group of deserters He has also proposed the notion of quotas of refugees from high-risk regions, in order to share the burden more equitably, and to enable planned intakes and settlement.

The PAIS policy criteria also fail to include a series of other factors which how did political developments in Turkey influence organisational structure?
