Sickness exists irrespective of whether a culture recognises it or not. In looking back, it isn't always easy to see where we have gone wrong. It must therefore be concluded that historically, medically, exegetically and almost certainly etymologically there is no justification for applying the Old Testament conception of leprosy to the disease we now know by that . Heprints Faith Is Action and oversees its publication and distribution. As should be noted that the first and the second phases of the purification rituals, as prescribed in Leviticus are left. And the priest shall examine the disease and shut up that which has the disease for seven days.
