Being a flight attendant is all about professional image – do you come across as someone who is approachable, are you well dressed, is your hair neatly pinned up or does it look like you styled it with an egg-beater? Of course, days off are not necessarily at home, but many flight attendants use these days as mini vacations.

Seek out a professional photographer who will take your photo. Thinking about these skills are all transferable to cabin crew roles, so ensure you utilise them to full effect. Some terms will really help to get into this profession. FAA regulations require one flight attendant for every 50 seats on board an aircraft. Most airlines will require that you submit an application with your basic info. FAA regulations require one flight attendant for every 50 seats on board an aircraft. Applying as a cabin crew when you reach 21 gives you more experience and hopefully more mature as .
