The same joyous procession in the Roman festivals, described above, conducted the phallus into the midst of the town or village, where in the same manner it was decked with garlands, and the worship partook of the same character. Description: Number of copies.

It is quite common among Roman antiquities, and was a Gnostics symbol. An Italian, under similar circumstances, uses the exclamation Cazzol the virile member. Foutin, and suspended to the ceiling of his chapel, and the writer remarks that, as the ceiling was covered with them, when the wind blew them about, it produced an effect which was calculated to disturb very much the devotions of the worshippers.

Several small rings are attached, no doubt for the purpose of suspending bells. They perhaps indulged in priapic rites, followed by the old priapic orgies, which would become more and more debased in form, but through the effects of exciting potions, as described by Michelet, would have become wilder than. The pagan origins of several customary acts in the Middle Ages were discussed.
