Is that a good or bad thing? Alice and Neil discuss whether we would miss driving as driverless cars are tested in cities around the world.

And, as the nation should hope, to learn from this mistake, as she has learned.

Megan Tan started by recording from her closet in inviting listeners to join her on her journey from waiting tables after college to getting her first real job. This year, podcasts got funnier, sharper, and even more niche.

Are you a teetotaler or a drinker? I also think this is very applicable to the world of standup comedy and it reminds me of what comedian Doug Stanhope has been doing on a slightly smaller level.
