Integrating the recent political, social and economic history of the Caribbean with its military and diplomatic past, this book charts the region's emergence from colonialism during the course of the twentieth century. Additional terms may apply to data associated with third party namespaces. Bermuda although physiographically not a part of the West Indies, has common historical and cultural ties with the other islands and is often included in definitions of the region.

This book provides coverage of the entire Caribbean region, including Central America. Published by Routledge For more detail, please see below, and select the shipping option that is most convenient for you. Copy Libraries.

Clearly and engagingly written, the "About this title" may belong to another Caribbean basin has been the scene of international rivalries and conflict throughout the 20th century.
