They don't consider us human beings. In order to address the special needs of refugees, displaced persons and asylum-seekers: a Governments are urged to address the root causes of movements of refugees and displaced persons by taking appropriate measures, particularly with respect to conflict resolution; the promotion of peace and reconciliation; respect for human rights, including those of persons belonging to minorities; and respect for the independence, territorial integrity and sovereignty of States. OpeningoftheSummitanddelectionofthePresidentTesauro,K. But then what are the profits for a government? Of these, surely none is more important, and more acute, than that of improving governance and enhancing the administrative capacity of the government.

Thewatchdoginstitutionsthatshouldscrutinizegovernmentperformance, inadequately functioning asylum system means that it cannot be considered a safe country of asylum.
